Age Policy: The minimum age to sail is 16 years old for standard trips and 8 years old for private charter.

Private Charters: The Firefly can take a maximum of 6 guests. To charter the vessel for your group, please call 207-542-1241

Reservation & Cancellation Policy: For all trips, a 20% deposit is required upon reservation. The balance is due 8 weeks before the sail date. A full refund - less a \$30 cancellation fee - will be given if you cancel before 8 weeks of the sail date. A full refund (less \$30) will be granted for cancellations within 8 weeks of the sail date if we can fill your space.

Because a rebuild is currently in progress, we reserve the right to cancel any trips up to the date of sail. If we are forced to cancel, we will do our best to rebook you on the schooner Lewis R. French or another windjammer in the area. If we are unable to rebook you, we will refund the full cost of your fare. We strongly suggest you purchase travel insurance, just in case.

Discounts: Reserve by May 1st and receive a 5% discount with the code EarlyBird26! We are also proud to offer discounts for veterans, healthcare workers, teachers, and Maine Residents.

Swan's Island Music Festival

Midweek we'll sail to Swan's Island to attend the Sweet Chariot Music Festival, a gathering only accessible by boat! This evening show features performers from all over the U.S. (www.sweetchariotmusicfestival.com)

Sailing and Kayaking

One morning guests will have the optional opportunity to kayak among the hundreds of protected islands between Deer Isle and Isle au Haut. You'll find the paddling phenomenal among these islands. Experienced Maine kayaking guides will lead us on this paddle, give lessons to beginner kayakers, and tailor the length of the course to the skill level of the group. You'll have the option to stop for an island stroll as well.

Camden Windjammer Festival

The Firefly participates in a parade of sail as schooners return to Camden Friday evening. You'll have the best seat in town for enjoying the schooner crew talent show, fireworks over Camden Harbor, and other festivities in town. Guests disembark Saturday after breakfast. Festival Website: <https://www.camdensnowbowl.com/cwf/>

Lighthouse Cruises

We'll make an effort to sail close up to some of Midcoast Maine's beautiful lighthouses offering guests great photo opportunities. We will try to visit a few ashore as well.

Wooden Boat Rendezvous

The Firefly joins other Windjammers for one last gathering in Brooklin, Maine, home to WoodenBoat Magazine and School. This is a great opportunity to photograph these vessels close up under full sail, tour the WoodenBoat school and see some really cool wooden boats.
