Theme Guide

Digital Detox

A complete getaway! On these trips, all guests and crew commit to keeping their phones, tablets, and other digital devices OFF and stowed away. Break out your old film camera, bring a good book, and let the world turn on it's own for a few days while you remember what it's all about. Polaroid cameras will be provided for an extra bit of analog charm. Emergency calls may be forwarded to the office.

Sailing & Hiking

In addition to our usual adventures sailing around Penobscot bay and its surround waters, this is an opportunity to explore Maine's robust network of island trails. We'll take a hike on a different island every day.

Schooner Gam

Join us for the annual spring meetup of Maine windjammers. One night, in a secluded cove, nearly a dozen historic vessels will raft up for an evening of music and camaraderie.

Great Schooner Race

Maine's Windjammers and other tall ships meet to participate in an exciting day of racing. Get involved in sail handling and strategy, or just sit back and enjoy the sight of a dozen majestic tall ships racing under full sail. Festivities conclude with a post-race party and awards ceremony in Rockland Harbor.

Swan's Island Music Festival

Sail in style to the Sweet Chariot Music Festival, a gathering of artists and musicians held on the remote and beautiful Swan's Island. This evening show features performers from all over the U.S. (www.sweetchariotmusicfestival.com)

Kayaking Adventure

In addition to our usual sailing adventures, one morning guests will have the opportunity to kayak with experienced Maine Kayaking guides among the hundreds of protected islands between Deer Isle and Isle au Haut.

Camden Windjammer Festival

The Firefly participates in a parade of sail as schooners return to Camden Friday evening. You'll have the best seat in town for enjoying the schooner crew talent show, fireworks over Camden Harbor, and other festivities in town. Guests disembark Saturday after breakfast. Wooden Boat Rendezvous

The Firefly joins other Windjammers for one last gathering in Brooklin, Maine, home to Wooden Boat Magazine and School. This is a great opportunity to photograph these vessels close up under full sail, tour the Wooden Boat school and see some really cool wooden boats.
